HM King Hussein I
Amman, Jordan, June 1990

" I am proud of Tracy for having fulfilled her dream; for having risen to the challenge by no more than her own will and her unbeatable, infectious and inspiring spirit. I share this pride with the multitudes. Tracy and her gallant crew have achieved what many thought impossible and I am delighted that Royal Jordanian Airlines was amongst the privileged few who sponsored Maiden. "

The Maiden Factor Voices

We are delighted to announce that the awesome Whoopi Goldberg has very graciously agreed to to become our first Maiden Factor Voice.

Our Maiden Factor Voices will represent Maiden and spread the message of girls' education around the globe during Maiden's World Tour and beyond.

The Maiden Factor Voices will attend a Forum at the end of the tour and will work with the Messages of Hope written by thousands of young people at stopovers during the tour to produce a Call to Action.

The Maiden Factor Voices Call to Action will be presented at the UN in 2022, sent to every school who has participated in our school's programme and will be promoted in every country.

Our Voices will help give a platform to young people everywhere.
